The 17th International Conference on Trieste, Italy will be held from July 15-19, 2024. The conference will be hosted by the University of Trieste and will bring together leading scholars from around the world to discuss the latest research on a wide range of topics, including history, culture, politics, and economics. The conference will also feature a number of special events, including a keynote address by Nobel Laureate Mario Vargas Llosa.

Trieste is a beautiful city located on the Adriatic Sea in northeastern Italy. It is a major port city and a cultural and economic center. Trieste has a rich history dating back to the Roman era. The city was ruled by the Habsburgs for centuries and was a major center of the Austro-Hungarian Empire. After World War I, Trieste became part of Italy.

The University of Trieste is a public research university founded in 1924. It is one of the largest universities in Italy and is home to a number of prestigious research institutes. The university is particularly well-known for its research in the fields of science, engineering, and medicine.

Conference Program

The 17th International Conference on Trieste, Italy will feature a wide range of presentations and discussions on the latest research in history, culture, politics, and economics. The conference will be divided into several thematic tracks, including:

- History of Trieste and the Adriatic
- Culture and society in Trieste
- Politics and economics in Trieste

- The future of Trieste

The conference will also feature a number of special events, including a keynote address by Nobel Laureate Mario Vargas Llosa. Vargas Llosa is a Peruvian writer who has won numerous awards for his work, including the Nobel Prize in Literature in 2010. He is known for his novels, short stories, and essays, which often explore the themes of history, politics, and culture.

Call for Papers

The 17th International Conference on Trieste, Italy is now accepting proposals for papers. Proposals should be submitted electronically by January 15, 2024. Papers should be no more than 10 pages in length and should be formatted according to the conference guidelines.

Proposals will be reviewed by a panel of experts. Selected papers will be presented at the conference and will be published in the conference proceedings.

Important Dates

- January 15, 2024: Deadline for submission of paper proposals
- March 15, 2024: Notification of acceptance of paper proposals
