File size : 10337 KB

Screen Reader : Supported

Print length : 56 pages

The collection includes works by some of the most famous composers in history, including Bach, Handel, Mozart, Beethoven, and Brahms. It also features a number of lesser-known gems that are sure to delight players and audiences alike.

The solos are arranged in order of difficulty, from easy to challenging. This makes the collection ideal for players of all levels, from beginners to advanced performers. Each solo is accompanied by a detailed analysis that

provides insights into the musical style and technique required to perform the piece.

Whether you are a student, a professional musician, or simply a lover of brass music, this collection is a must-have for your library. With its wide range of repertoire and detailed analysis, it is an invaluable resource that will help you to develop your skills and appreciation for the brass repertoire.
