In the realm of electric guitars, the Fender Stratocaster has long been revered as a legendary instrument. Its iconic design, versatile sound, and unparalleled playability have made it a favorite among guitarists of all genres, from blues and rock to country and pop. However, for metal guitarists seeking a guitar that can handle the demands of their aggressive

playing style and high-gain amplifiers, the traditional Stratocaster may not always suffice.

Enter the Am Professional Metalhead, a groundbreaking creation from the Fender Custom Shop, designed in collaboration with Alex Skolnick, lead guitarist of the legendary thrash metal band Testament. This exceptional instrument is meticulously crafted to meet the exacting needs of modern metal players, offering a unique blend of classic Stratocaster aesthetics with innovative features tailored for heavy music.

Features and Specifications

The Am Professional Metalhead stands out with its distinctive features that cater specifically to the demands of metal guitarists. Here's a comprehensive overview of its key specifications:

- **Roasted Maple Neck:** The guitar boasts a roasted maple neck, a unique treatment process that enhances the wood's stability, durability, and tonal qualities, resulting in a more resonant and sustain-rich sound.
- **Jumbo Frets:** The fingerboard features jumbo frets, providing a comfortable playing surface for precise fretting and effortless string bending.
- **Active Humbucking Pickups:** The guitar is equipped with a pair of Fishman Fluence Modern Humbuckers, which deliver a high-output, articulate, and versatile sound that excels in high-gain settings.
- **Coil Split:** The humbuckers offer a coil split function, allowing you to switch between a full humbucking sound and a single-coil tone, providing sonic flexibility.

- **Hipshot Contour Tremolo:** The Am Professional Metalhead is equipped with a Hipshot Contour tremolo system, ensuring smooth and stable operation for expressive whammy bar effects.
- **Luminlay Side Dots:** The fingerboard is adorned with Luminlay side dots, which glow in the dark, making it easy to navigate the fretboard even in poorly lit stage conditions.

Sound and Playability

The Am Professional Metalhead delivers an exceptional sonic experience that is tailored for the demands of metal music. The Fishman Fluence Modern Humbuckers provide a remarkable balance of power, clarity, and articulation, effortlessly handling the high-gain distortion and aggression required for heavy metal. The active electronics ensure a consistent and dynamic response, even at extreme gain levels.

The roasted maple neck and jumbo frets contribute to the guitar's exceptional playability. The roasted maple neck provides a smooth and resonant playing surface, while the jumbo frets offer a comfortable and precise feel, making it effortless to execute complex riffs and intricate solos. The Hipshot Contour tremolo system adds further versatility, allowing for expressive whammy bar effects without compromising tuning stability.

Artist Signature Model

The Am Professional Metalhead is not just a mere guitar; it is the signature model of Alex Skolnick, one of the most renowned and respected guitarists in the metal community. Skolnick's extensive experience as a professional musician, songwriter, and producer, has been instrumental in shaping the design and features of this exceptional instrument.

Skolnick's signature model not only bears his name but also embodies his approach to guitar playing and tone. The meticulous attention to detail and the incorporation of innovative features reflect his commitment to creating a guitar that meets the demands of modern metal guitarists.

The Fender Am Professional Metalhead is undoubtedly one of the most innovative and exciting electric guitars designed specifically for metal players. Its unique blend of classic Stratocaster design with cutting-edge features delivers a sound and playability that is perfectly suited for the demands of heavy music. Whether you're a professional metal musician or an aspiring guitarist seeking an instrument that can elevate your playing, the Am Professional Metalhead is an exceptional choice that will inspire you to create captivating and unforgettable music.

If you're ready to take your metal guitar playing to the next level, the Am Professional Metalhead is the ultimate companion. Experience the fusion of classic aesthetics and modern innovation, and discover why this guitar is rapidly becoming the preferred choice of discerning metalheads worldwide.
