## **Interview with Noam Chomsky**

Noam Chomsky is one of the most important intellectuals of our time. He is a world-renowned linguist, political dissident, and author of over 100 books. In his interview with David Barsamian, Chomsky discusses a wide range of

topics, including the Vietnam War, the Cold War, the rise of the military-industrial complex, and the erosion of civil liberties in the United States.

Chomsky is a brilliant and incisive critic of American foreign policy. He argues that the United States has consistently used its power to promote its own interests, even at the expense of other countries. Chomsky also discusses the dangers of the military-industrial complex, which he argues has a vested interest in promoting war and militarism.

Chomsky's interview is a must-read for anyone who wants to understand the history of dissent in the United States. He is a powerful voice for peace and justice, and his insights are essential for anyone who wants to make a difference in the world.

### **Interview with Edward Said**

Edward Said was a Palestinian-American literary critic and political activist. He is best known for his book *Orientalism*, which argued that the West has consistently misrepresented the Middle East. In his interview with David Barsamian, Said discusses his experiences as a Palestinian living in the United States, and he offers a powerful critique of American foreign policy in the Middle East.

Said was a brilliant and passionate advocate for the Palestinian cause. He argued that the United States has consistently supported Israel at the expense of the Palestinians, and he called for a just and lasting peace in the Middle East.

Said's interview is a must-read for anyone who wants to understand the history of dissent in the United States. He was a powerful voice for peace

and justice, and his insights are essential for anyone who wants to make a difference in the world.

## **Interview with Howard Zinn**

Howard Zinn was a historian and author of *A People's History of the United States*. Zinn's book is a classic work of American history that challenges the traditional narrative of the United States as a land of freedom and opportunity. In his interview with David Barsamian, Zinn discusses his experiences as a historian and activist, and he offers a powerful critique of the American political system.

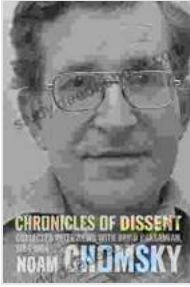

Zinn was a brilliant and passionate advocate for social justice. He argued that the United States has consistently failed to live up to its ideals of equality and democracy. Zinn also called for a more just and equitable world.

Zinn's interview is a must-read for anyone who wants to understand the history of dissent in the United States. He was a powerful voice for peace and justice, and his insights are essential for anyone who wants to make a difference in the world.
