Alternate sweep picking is a technique used in guitar playing to create a smooth, flowing sound. It is often used in conjunction with legato, a technique that involves playing notes without picking the strings. This course will teach you how to master alternate sweep picking and legato, and how to use them to create your own unique solos.

Lesson 1: The Basics of Alternate Sweep Picking

In this lesson, you will learn the basic principles of alternate sweep picking. You will learn how to hold the pick, how to move your hand, and how to pick the strings in a fluid motion. You will also practice some basic sweep picking patterns.

Lesson 2: Legato Techniques

In this lesson, you will learn how to play legato. You will learn how to hammer on, pull off, and slide. You will also practice some legato exercises.

Lesson 3: Combining Alternate Sweep Picking and Legato

In this lesson, you will learn how to combine alternate sweep picking and legato to create your own unique solos. You will learn how to use sweep picking to create a flowing sound, and how to use legato to add melody and expression.

Lesson 4: Advanced Techniques

In this lesson, you will learn some advanced alternate sweep picking and legato techniques. You will learn how to play sweep arpeggios, sweep scales, and sweep licks. You will also learn how to use alternate sweep picking and legato in conjunction with other techniques, such as tapping and harmonics.

This course has taught you the basics of alternate sweep picking and legato. You have learned how to hold the pick, how to move your hand, and how to pick the strings in a fluid motion. You have also learned how to play legato, and how to combine sweep picking and legato to create your own unique solos. With practice, you will be able to master these techniques and use them to create your own amazing music.

Appendix

This appendix contains additional information on alternate sweep picking and legato. You will find fingering charts, picking patterns, and exercises. You will also find links to online resources and videos.
