Megan is a brilliant surgeon, but she's also a woman with a past. She's haunted by the memories of a tragic car accident that killed her husband and left her with a deep scar on her face. But Megan is determined to move on with her life, and she's found solace in her work at the prestigious Boston General Hospital.

However, Megan's world is turned upside down when she begins to suspect that there's a serial killer on the loose in the hospital. Patients are dying under mysterious circumstances, and Megan can't shake the feeling

that something is amiss. As she investigates, she uncovers a dark conspiracy that reaches the highest levels of the hospital administration.

Megan soon realizes that she's not just investigating a murder case – she's also fighting for her own life. The killer is determined to silence her, and Megan must race against time to find the killer and save her patients. But as she gets closer to the truth, she discovers that the secrets that lie beneath the surface of Boston General are more dangerous than she ever imagined.
