The My Life in Smiley Books series is a collection of three novels by Jeff Kinney, the author of the popular Diary of a Wimpy Kid series. The Smiley books tell the story of a young boy named Greg Heffley's years attending middle school. The series is full of humor, heart, and lessons about growing up.

In the first book, **My Life in Smiley: The Kid Who Was Always Scared**, Greg is a sixth-grader who is terrified of everything, from spiders to bullies. He's constantly worried about what other people think of him, and he's always trying to avoid embarrassment. But when Greg's parents force him to join the school musical, he realizes that he's not as scared as he thought he was. He learns to face his fears and discovers that he's actually pretty good at singing.

He's always arguing with his teachers, his classmates, and even his parents. But when Greg's teacher assigns him to write a paper about the history of the world, he realizes that he doesn't know as much as he thought he did. He learns to be more open-minded and to listen to other people's opinions.

In the third book, **My Life in Smiley: The Kid Who Was Always Lucky**, Greg is an eighth-grader who believes that he's the luckiest person in the world. He always seems to get what he wants, without even trying. But when Greg's luck runs out, he learns that he can't always rely on luck to get him through life. He learns to work hard and to appreciate the things that he has.
