## Our Courses

Our courses are designed to provide you with the skills and knowledge you need to succeed as a portrait artist. We offer courses for all levels, from beginner to advanced.

Our beginner courses will teach you the basics of portrait drawing, including how to draw the head, eyes, nose, mouth, and ears. You'll also learn about different drawing techniques and materials.

Our intermediate courses will help you to improve your portrait drawing skills. You'll learn how to draw more realistic portraits, and you'll also learn about different composition techniques.

Our advanced courses will teach you the secrets of master portrait artists. You'll learn how to draw portraits that are both beautiful and expressive.

## **Our Tutorials**

In addition to our courses, we also offer a wide range of tutorials on our website. These tutorials cover a variety of topics, including:

\* How to draw different facial features \* How to draw different hair textures \*  
How to draw different clothing styles \* How to draw different backgrounds

Our tutorials are a great way to learn new skills and techniques. They're also a great way to get inspired for your own portrait drawings.

## **Our Community**

Portrait Artist Org is more than just a collection of courses and tutorials. We're also a community of passionate portrait artists. We have a forum where you can connect with other artists, share your work, and get feedback.

We also have a Discord server where you can chat with other artists in real time. We host regular online events, such as workshops and critiques.
