

Proceedings of the 8th Asian Conference on Innovation Communication and Technology

The 8th Asian Conference on Innovation Communication and Technology (ACICT 2023) will be held on January 19-20, 2023, in Taipei, Taiwan. The conference will bring together researchers, practitioners, and policymakers from around the world to discuss the latest developments in innovation communication and technology.

The theme of ACICT 2023 is "Innovation Communication and Technology for Sustainable Development." The conference will explore the role of innovation communication and technology in addressing global challenges such as climate change, poverty, and inequality.
