

# Something Like Hate: A Mile High Billionaire Romance

Something Like Hate is a steamy and intense romance novel by bestselling author Melanie Moreland. It follows the story of two rivals, Ethan James and Ava Montgomery, who are forced to work together on a high-stakes project. As they spend more time together, they realize that their initial dislike for each other is slowly turning into something more.

## The Characters

Ethan James is a self-made billionaire who is known for his ruthless business tactics. He is arrogant, ambitious, and used to getting what he wants. Ava Montgomery is a brilliant scientist who is fiercely independent and determined to succeed on her own terms. She is strong-willed, passionate, and not afraid to stand up for what she believes in.

From the moment they meet, Ethan and Ava clash. They are complete opposites, and they both seem to bring out the worst in each other. But as they are forced to work together, they start to see each other in a new light. They realize that they have more in common than they thought, and they begin to develop a grudging respect for each other.

## **The Plot**

Ethan and Ava are tasked with leading a team of scientists in developing a new technology that could revolutionize the world. The project is high-stakes, and both Ethan and Ava are determined to succeed. But as they work together, they realize that they have very different approaches to leadership. Ethan is used to giving orders and expecting them to be followed, while Ava prefers to collaborate and work as a team.

Their different approaches lead to conflict, but it also forces them to confront their own weaknesses. Ethan learns to be more patient and understanding, while Ava learns to be more assertive and decisive. As they work through their differences, they begin to develop a mutual respect and admiration.

But their newfound connection is threatened when a rival company tries to sabotage their project. Ethan and Ava must put their differences aside and work together to save their work. In the process, they realize that their feelings for each other have grown into something more than just respect.

## **The Romance**

The romance between Ethan and Ava is slow-burning but intense. They start out as enemies, but they gradually develop a grudging respect for each other. As they work together, they start to see each other in a new

light, and they realize that they have more in common than they thought. Their connection deepens as they face challenges together, and they eventually fall in love.

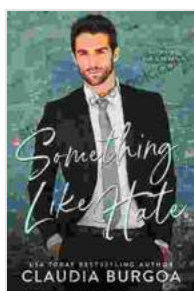

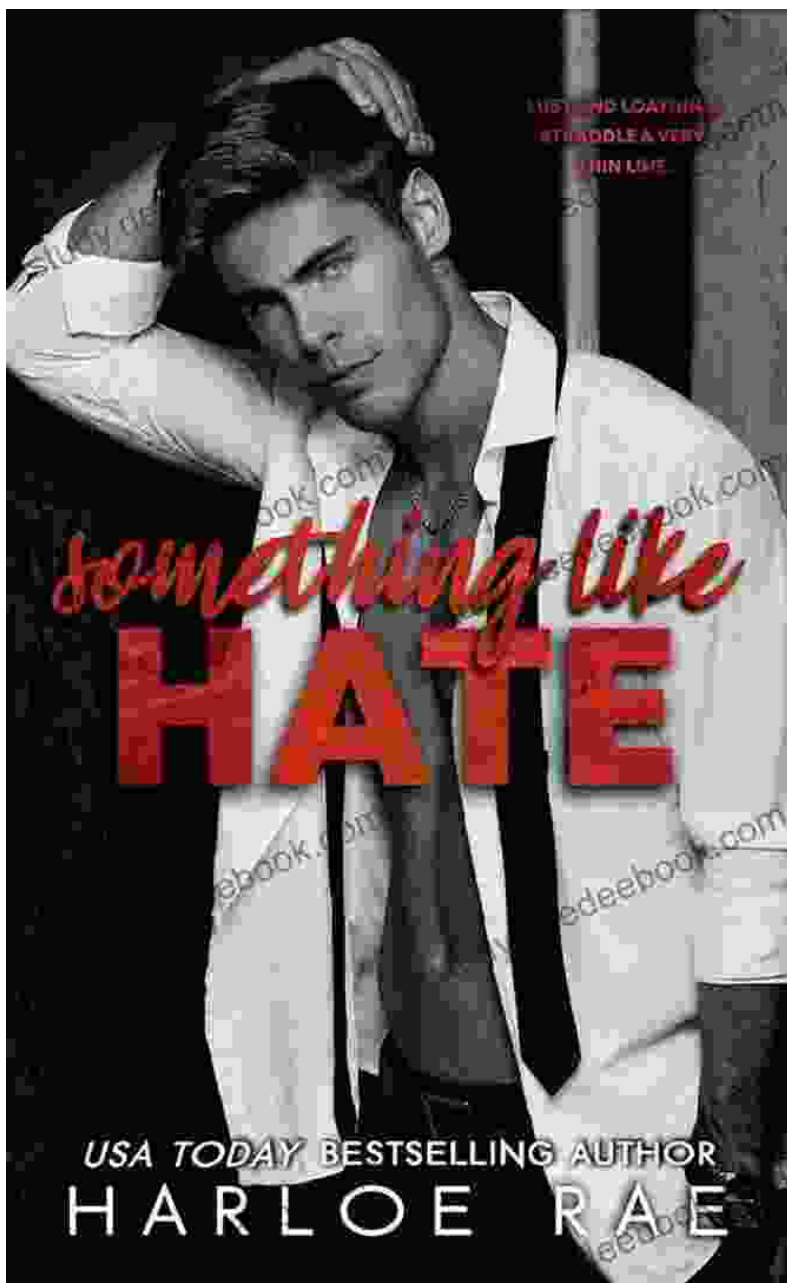

The romance in *Something Like Hate* is steamy and passionate. Ethan and Ava are both strong-willed and independent, but they are also deeply drawn to each other. Their chemistry is undeniable, and their love scenes are sure to set your Kindle on fire.

### **The Ending**

The ending of *Something Like Hate* is satisfying and heartwarming. Ethan and Ava overcome their challenges and find love with each other. They learn to appreciate their differences and work together as a team. The novel ends with Ethan and Ava happily married and expecting their first child.

### **Overall Impression**

*Something Like Hate* is a well-written and engaging romance novel. It has a strong plot, well-developed characters, and a steamy romance. I highly recommend it to fans of contemporary romance and billionaire romance.
